REVIEWS

Amanda V.

The Joyce Choice did an amazing job at my wedding! The day ran smoothly and the decorations were exactly as I asked. Although things got a little bumpy with the venue, I didn't hear about it until the day after my wedding, so Dara expertly executed all communication and issues. Would hire again for any event!

This was by far the best investment from my wedding. My husband and I can't thank Dara and Doug enough for helping us on our special day. From months before, Dara was extremely attentive to any concern that I had, and she was always available. Words cannot express my gratitude for their services and overall experience. Our wedding was perfect and it's all because of them. I can whole heartily say I would hire them all over again.
